

Saving the Harmonie Mobile Website to your **Droid** home screen:

1. Type www.harmonie.org/m into your internet address bar:

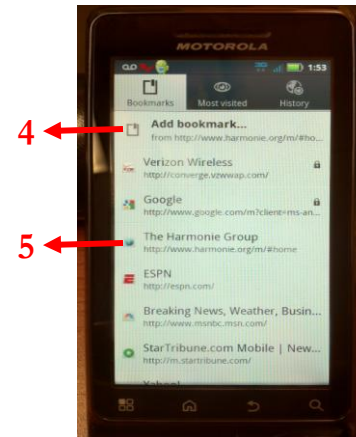

2. Press the browser settings button on your phone

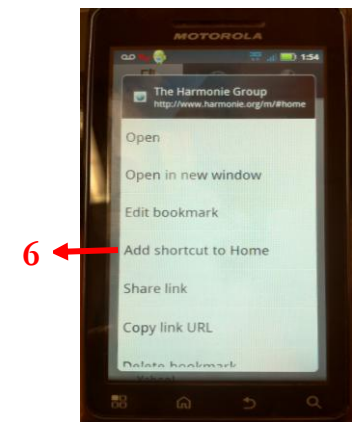

3. Select Bookmarks

4. Select Add Bookmark and OK when prompted.

5. When Harmonie appears in your Bookmark list, hold your finger on it until the bookmark menu appears.

6. Select Add shortcut to Home. Harmonie icon will appear on home screen for quick access to mobile directory.

If you don't remember how to navigate to the Harmonie mobile site, go to Harmonie.org and pressing the law firm directory button will open a prompt asking if you want to be directed to our mobile site.
